Top tip

When you are in a meeting, it is important to listen to what the other people are saying. This will help you to understand their point of view and to make a decision that is in the best interests of the group. It is also important to be clear about what you are saying and to listen to what the other people are saying. This will help you to understand their point of view and to make a decision that is in the best interests of the group.
